Apple Business Manager enrollment

Thank you for your recent Mac purchase from Imagetext

To enable a zero touch workflow, and for devices to successfully appear in Apple Business Manager, it is important to provide us with your appropriate DEP (Device Enrolment Program) Organisation ID and to whitelist Imagetext as a reseller.

The below steps will guide you through the process.

Find your Organisation ID

1. In Apple Business Manager, sign in as a user with the role of 'Administrator'
2. Click your name at the bottom of the sidebar, click 'Preferences', then click 'Organisational Information'
3. Locate your 'Organisation ID'
4. Provide your Organisation ID to your Imagetext account manager so that this can be added to your order

Add a Reseller Number

1. In Apple Business Manager, sign in as a user with the role of 'Administrator'
2. Click your name at the bottom of the sidebar, click 'Preferences', then click 'Enrolment Information'
3. Locate your 'MDM Server Assignment'
4. On the right side of the window next to 'Customer Numbers' select 'edit'
5. Change Customer Number Type from 'Apple Customer Number' to 'Reseller Number' and enter **9276DA0** as Reseller Number and IMAGETEXT INTEGRATED SOLUTIONS will appear
6. Click Add

Please do not hesitate to contact our team should you need any assistance with Apple Business Manager.

Whether you are adopting Apple for the first time in your organisation, or updating your existing fleet of devices, the Imagetext engineering team can help ensure you're following best practices for the entire Apple platform.
